The Canton correspondent of the Shen-pao Chih-tung has therefore despatched 16 gunbouts to Hoihow, with a large number of civil and military officers, for suppressing the rebellion.

The Hyoge News of the 4th April says .- The funeral yesterday of Mr. Haselwood served to draw together nearly the entire foreign community of Kobe, who thus desired to testify their regard for one whose memory will long continue green among us. Very beautiful wreaths had been thoughtfully supplied by some friends, and the entire proceedings were marked by more than the ordinary solomnity that characterizes these melancholy occasions.

Railway Company, the site selected being just behind the Hsien Nung Tan, the Temple of and the place was being fenced in with bamboo diamond flush. |24 | palings, to prevent vehicles and passengers going past. These indications point to the speedy commencement of the bridge construction.

two Cantonese who are well versed in machinery and the building of steamers have petitioned H. E. Küng Taotai for permission to baild a dock in Sinza for constructing fast boats propelled by machinery but not by steam power. The Taotai has sanctioned the enterprise, and has issued a proclamation, warning the people not to inter-All letters for publication should be written on one | fere with the works. These two men are said to be the inventors of this kind of boats, which were built at Canton about ten years ago.

> named the Japan Tea Exporting Company, is or epidemic disease. now being promoted by some wealthy tea dealers with the object of monopolizing the sale of all the tea produced in the country. It is proposed to establish two offices, one in Yokehama and one in Kobe, which will receive ten transported from the producing districts to these two ports and will act as middle-men between the ten producers and the foreign firms. The company will also receive orders for the foreign market directly.

A telegram, dated Berlin, 25th ult., and published in a Japan vernacular paper, reads as follows:-" Bismarck is dissatisfied with the Empress of Germany, as Her Majestv interferes with politics, relying on the influence of her mother, H.M. Queen Victoria. She also censures and attacks the regulations. &c., which are promulgated through the influence of Bismarck. He says it is perfectly well known to him that the Empress has stated that he will be the ruin of Germany."

The Bhamo correspondent of the Maulmain Advertiser states that the Mogoung column when they reached the jade quarries, "found jade stone in abundance lying all around, but the Chinese and Burmese buyers had left the place for the last year's entrance fees Tls. 4.865. We undertime being and all stone of value had been stand that this year's entries have only been secreted. The rocks were seen to consist largely exceeded once, and that the cheque from the of this formation, and there were countless "leviathan" stable was for Tls. 1,590. houlders and loose pieces lying about, but they Glenfinlas, from London, left Singapora on Fri- were of such poor quality as would not pay for carriage to Bhame, the Chinese only valuing those stones through which the green voin runs."

An Imperial Ordinance as to the budget for the April and ending the 31st March, 1889, was isued the present figures show an increase of year

The Shen-pao says that very few teamen have to any consideration other than that of fare; fered from want of repairs; and those destroyed arrived at Kiukiang this year, and the amount steamers that offer cheap passages are preferred, 100,000 this year, as against Tla 600,000 last seaworthiness or the skill of their officers. It tion. Now, the misfortunes of Kôyasan have had received the toast, and proposed that of the charge fares which will not allow them to buy ment of its original grandeur. Japan Mail, It is notified in the Government Casette that any but inferior vessels, or to engage good-men, would be improved. It is therefore most unfortunate that just at this juncture the Hyakkan Maru calamity should occur. As long, however, as the public are guided only by the cheapness of feres, it will be impossible to expect immunity from such accidents.-Japan Mail.

> The Daily News says:—The steamer Kuling. which has returned to Shanghai after her ineffectual attempt to obtain leave to pass beyond Ichang is, we are informed, to be laid un here pending receipt from Peking of the promised "Hoochow," or permit, from the Tsung-li Yamen. authorising her to proceed to Chungking. Mr. Little informs us that he has been favoured with a telegram from the Minister stating that the difficulties with the Szechuen authorities are serious and not yet overcome. Sir John Walsham appears to be now exerting himself to the ntmost to induce the Yamen to hasten their arrangements for the issue of a proclamation there, similar to the frank notice published in recent issue. Meanwhile advantage is being taken of the delay to make some improvements to the machinery of the Kuling, which, lit believed, will enable her to steem fourteen Messrs. Boyd & Co.'s hands, which is sufficient guarantee that as high a speed will be btained as the boat is capable of. Mr. Little But the Chinese are a difficult people to hurry.

acre." A landing party of mon from the Leander has from day to day been sent to the Cometery to carry out the mich required work, and the effect of their labour is now apparent in the improved appearance of the graves, not of their British comrades alone but those of seamen of all nationalities.

The Japan Mail, speaking of extraordinary hands at oards, says :- We ourselves once heard insobriety of life or language. But there are, of course, many authenticated cases of more or The Shih-pao of the 2nd April says :- " Our less extraordinary freaks of cards. Two such readers are aware of the proposed construction cases have happened in this locality within the of an iron bridge across the Peiho by the China last few weeks; one that of a whist-player in Tokyo who dealt himself 13 black cards; the other that of a poker-player in this town, who Agriculture. Yesterday we saw a large quantity in two successive deals, drawing five cards each of iron, timber, time, stone, etc., landed there, time, received identically the same hand—a

Board, held on 13th ult., the proceedings of which We (Courier) learn from the Shin-puo that are published in Saturday's Gazette, the Secrotary was directed to transmit to the Colonial Secretary for the consideration of His Excellency the Governor the bilowing resolution proposed by Dr. Manson and seconded by the Colonial Surgeon,-That it view of the danger to the community from 1 small-pox or other epidemic hospital situated in the centre of the town, a representation le made to the Government of the urgent nocessity of establishing an opidemic Hospital in a suburban site and of preventing in future the treatment, in hospitals is The Japan Gazette says:-A company, to be the town, of persons suffering from infectious

And lastly, this eventful day, I fervently hope, will put spirits in the hearts of our Chinese capitalists in the interest of mines, thereby causing the full development of the mineral resources of southern China, to the general welfare of the country, especially to the labouring classes, by checking the progress of emigration abroad. In conclusion I may mention that we have been very fortunate in the site we have that it might be advisable at the same time to inquire

> Mr. FRANCIS said-Ladies and gentlemen, is my plensing duty to propose the health of Mr. Candler and those who have been associated with him in this undertaking. In congratulating Mr. Ho Amei to-day, I think we ought also to congratulate him on acquiring the services of matter, but as regards the lease to the Council such a thoroughly capable mining engineer as of the whole of the water supply for the Foreign Mr. Candler. I am sure I need not re- Settlements that was a very important matter mind you what great difficulties there are and called for careful consideration. Personally day. It is therefore, I am sure, with the greatest to say, and he could assure them they would do

be a great success. Of that success I have no doubt, provided Mr. Ho Amei is not left to carry out the work single-handed, and provided be receives the support of the Chinese higherofficials and the subordinate officials who work under him in the mines. With that support and with the energy and the tast which 19,899.28 he can bring to bear upon this work, its success is assured. As I said before, we have had a great many difficulties to gontend with, and at times these difficulties have been such as to almost dishearten us. have had a good deal of sickness in the mines, and at times things have been at a very low obb with us in consequence of the workmen refusing to come to work and our Europeans being unable through sickness to do so, and Mr. Ho Amei has shown a great deal of perseverance in dealing with and overcoming these difficulties, and the result is what you have witnessed here do-day. Of course these difficulties have delayed as great-We have been twelve months carrying out his work, which should have deen done, as I old Mr. Ho Amei, in six but still I think as Mr. Francis has said, Mr. Ho Amei and the shareholders are to be congratulated on having brought the work to such a stage as it

is to-day, and although you have not seen the silver actually turned out to-day, still it is only a question of two or three hours. Mr. Ho Amei was auxious to hurry on the work and for you to see it and consequently you have visited the works before we were quite ready, but if any of you care to call at the office to-morrow you will be able to see our first production of silver. As I said before, it is only a question of a few hours: We have here a large quantity of ore to treat, I may say parhaps the largest I have seen anywhere, and it only requires all of us to work well together to make the enterprise a success. I may allude briefly to some difficulties which I see ahead of us. I am speaking now as an English-

man, and I may perhaps say what a Chinaman way by Chineso officials. I shall allude enterprise of this kind in China are not likely to conduct it in an underhand or dishonest manner. the Chinese newspapers, and through this place some Europ an-I do not care whom, so long as he is duly qualified—at the head of the mining office in Canton, who would be able to advise him respecting these matters. As it is, he is advised by a "taotai" who is utterly incapable of judging of our difficulties, or of how to conduct such an industry, and whose interference without skilful advice must and not allow, as at present, the "taotais" to most elementary knowledge. We have here to the mon should be harassed in carrying out

knows nothing about the matter. Another matter to which I would allude is the payment of ten per cent, on the output. In no other country in the world is any tax smelting works attached to it. It has been a and I trust that we shall always in the future merit the kind wishes of to-day. (Applause). Cheers were then given for Mr. Ho Amei, Mr. Candler, and the employes of the works. The return run occupied rather less time than the outward one, the steamer arriving in Hongkong

about 4 p.m., everyone on board having spent a most enjoyable day...

LIMITED.

The annual meeting of the Shanghai

The following letter was read:---Manicipal Council, Shanghai, 10th April, 1888. GENTLEMEN,-The agreement between the Muni-

cipal Council and your company for the supply of water for Municipal purposes will, as you are aware, expire on the 30th June next. The Council will therefore be glad to learn at the earliest convenience of your directors their views as to the terms upon which they are willing to renew the contract for a term of years from 30th June, 1888 You are, no doubt, aware that at the last rate payers' meeting the Chairman of the Council pointed out that the above contract required renewal, and referring to those remarks the Council would wish to rately .- I am, gentlemen, your obedient pervant, A. G. Wood, Chairman. Messra. Drysdale, Ringer & Co., Secretaries, Shang-

hai Waterworks Co. With reference to this, the Chairman said that of course the contract for water for Municipal requirements would be a comparatively simple negotiations with them and hear what they had

One of the sailors, when 571.50 (Cheers). Although I have had great difficulties he saw the second mate pushing his shipmate to contend with, I do not suppose that they have down the hold, drew his sheath knife and stabbeen one quarter of what he has had to deal with. bed the second mate in the back, causing a He has at all times, placed very great confidence slight flesh wound. The sailor was tried for in me and in all that I have advised, and no one this offence and was sentenced to two months' can wish more than I do that this enterprise may imprisonment here. Two other sailors who took

part in the disturbance were acquitted, but all were discharged from the ship. On the 27th instant the Fee-cheu came, into port and took on board some telegraph cable to be spliced on to the broken cable, the ends of l which she successfully picked up a few days ago. and buoyed. If the weather remains fine for a sre taken from our San Francisco files:few days, the cable between here and Foechow will soon be in working order again, for the Feechan went out again to-day to make the necessary repairs. By what I can hear the ends of the treaty which has been negotiated and signed broken cable have every appearance of having the Secretary of State and the Chinese Ministra Foodhow.—Mercury Correspondent.

### TIENTSIN.

Several new houses are to be built here accommodate the rapid increase of the foreign

community. The railway staff new adds a notable number to the sum of residents." A sure sign of the prosperity of the Chines traders is the erection of guild-houses. A fine guild house has just been built by the Ningpo men, and the men of the Liang Kinng are about to do

The completion of the railway is being urged on with all desputch, and as most of the earthwork, bridge piers, etc., are ready, the sleepers, rails, and bridges will be put into their places without delay. We hope the first trains to Taku. or opposite will run in the autumu.

When the railway is at work we expect a great improvement in our feed supply. The cattle from the country between the PeleCang and the Great Wallace better fed and have better flavour than We will also be able to have what now is unst. tainable, feesh sea fish. Taku hus an immense supply of the finest fish in its short waters and on the sea bar, and ere long we will be able to banish

from our boards the muddy tench, porch, and carp, hithertogiven to us for lack of better sorts. It is doubtful whether any grain junks can now come from the south via the Grand Canal, although the northern section of it, from the north bank of the Huang-ho to the Peiho, is in its usual condition and full of water. The difficulty will be to cross the Huang-ho.

The river Huang ho, according to a friend who has recently come in from Chi-nan-fu, is now and has b on during the last winter about twelve feet below its normal level, and, of course, the stream is much narrower than formerly. Huang-ho still runs to see with a strong current, showing that a considerable part of its flow comes, as o old, from the higher part of the river. Shantung is now fairly dry, all the once flood-

ed lands are free from water, and in many cases. the grounds have been sown with seed. The river Peiho is this season, so far at least, in particularly good order, and from from banks and shoals than for years past. After crossing, the bar inwards vessels have now very little difficulty in coming to our quay without loss of time. The Norddontscher Lloyd's steamer Bayern with dates from Berlin to the 20th March, left Singapore at 8 a.m. on the 13th, and may be THE CANADIAN MAU.

The Canadian Pacific steamer Batavia, with Canadian mails, left Vancouver on the 4th April, STEAMERS EXPECTED. The O. S. S. Co.'s steamor Menclaus left

16th instant. The N. G. I. steamer Bormida left Singapore Chinese Imperial Loan of 1884 B-5 per cent. on the night of the 11th, and is due here on the

> The Glen Line steamer Glenfinlus left Singapercon the 13th, and is due here on the 20th

The P. & O. steamer Tanjore left Colombo on the 11th, and is due here on or about the 22nd

- POST-OFFICE NOTICES.

When Correspondence has been mis-sent or delayed (both of which are liable to happen occasionally) all that the addresses need do is to note on the cover, Sent to - . or Received at 7 p.m., or as the case may be, and forward it, without any other writing whatever, to the Postmaster-General. This should be acted on the first time cause of complaint occurs; it is a mistake to let such matters pass for fear of giving trouble, a course which generally gives more trouble in the end.

The Postal Guide for 1887, revised to date will be found in the Daily Press Directory, p. 385 large edition, p. 701 small edition. This is the only authorised complete Summary of Postal information published in Hongkong.

LOCAL DELIVERY-No delivery is attempted on board Ship, at the Peak, Kowloon, Aberdeen. &c., nor at any private house (even though numed in the address) when there is a place of business nearer, at which delivery can be effected.

The authorised List of Mails issued in connection with this paper is the one published twice each day in our Extra, which is always corrected to a much later hour than that given A MAIL WILL CLOSE:

For Saigon.—Per Angers, to day, the 16th inst., at 11.30 A.M. For Amoy and Manila, Por Diamante, today, the 16th inst., at 3.30 P.M. For Shanghai.-Per Amoy, to-day, the 16th inst., at 3.30 P.M. For Yokohama and Kobe .- Per Frigga, tomorrow, the 17th inst., at 330 p.st. For Straits and Calcutta. - Per Arratoon

Appear, on Wodnesday, the 18th inst., at Noon. For Singapore.-Per Olympia, on Tuesday, the 24th inst., at 3.30 P.M. MAILS BY THE GERMAN PACKET. The German Contract Packet Preussen will be despatched on MONDAY, the 16th instant, with Mails for the United Kingdom, Europe day at 10 a.m. at 4 p.m. and countries beyond, via Brindisi; to the Straits

Settlements, Batavia, Burmah, Ceylon, India, Aden, Egypt, Malta, &c., &c. Registry ceases at 2 P.M. The Mail closes at 3 P.M. Late letters till 3.30 with 10 cents extra postage. Correspondence should be marked Per German Mail, or with the name of the Packet. The Post Office declines all responsibility for Unregistered Covers containing Bank Notes

Coin, or Jewellery, and, where Registration has been neglected, will make no enquiries into alleged losses of such covers. HOURS FOR CLOSING THE CONTRACT

THE ENGLISH MAIL. Two Days before Departure. 3.00 P.M.—Reception of Parcels ceases. Day before Departure:
